

Financial Hardship Application

You may apply for a reduced repayment arrangement if you are suffering hardship which has resulted from an unforeseen or unexpected event. The granting of financial hardship assistance is a discretionary decision by Commercial Credit Control provided we are satisfied that there is reasonable cause for your inability to pay your debt in full.

Key Components of Our Hardship Policy

(1) Our Commitment to You

- We will communicate with you throughout the application process.
- We will give your application proper consideration.
- If we are satisfied that hardship is evident, we will work with you to reach a reasonable temporary arrangement.

(2) Your Commitment to Us

- You will provide comprehensive supporting information/documentation with the completed application form.
- You will cooperate with us and provide further information where required.
- You will make your repayments as they fall due or contact us to make other arrangements.
